

GREAT YELDHAM PARISH COUNCIL ANNUAL REPORT 2022/23

Chairman's Report

It has been an incredible 12 months for our Parish Council, I would like to thank everyone in Great Yeldham who has contributed to supporting our community over the last months, both in organised groups and as individuals. The members of the Parish Council are very grateful for your efforts. Looking back on all the successes we have achieved together, I would like to take a moment to reflect on these.....

Key Actions 2022/23:

On September the 8th the nation was deeply saddened to hear that Her Majesty the Queen passed away; the impact her reign had will not be forgotten.

The project secured £13,900 in grants and volunteers have worked tirelessly in adapting and refurbishing 2 containers in which to home the project .
- A Public Consultation was held in October which discussed suggestions and ideas put forward for the development of **Bowtell's Meadow** once it is transferred to the Parish Council. The Working Party is now in the process of taking those ideas forward and developing an action plan.
- Sports & Recreation Ground.** The Parish Council have been working in partnership with the Sports Ground Management Committee to refurbish the site and deal with on-going maintenance issues: the internal walls of the pavilion have been redecorated; the entrance height barrier was replaced due to damage; netting and supports were installed along the boundary to prevent footballs going into neighboring gardens; plans to replace the brick roof shed are in progress. Future plans for refurbishing the site are still being progressed.
