Great Yeldham Table Tennis Club

I am very pleased to let you know that the club is progressing very nicely, thank you. At the moment, we have a total of 24 regular members. We are now looking to open during the rest of the week for a couple of hours, just finalising the days/hours.

Our league playing team members, '**The Yeldham Whitlocks**' who are: -

Ray Carter, Doug Saunders, Lorraine Burgess, Kevin Mills, Kevin Laing, Richard Taylor and Carl Raven, are having a well-earned weeks rest as they continue to represent Great Yeldham in the Summer Table Tennis League. They have had mixed results but the main thing is they are enjoying the competition and we, as a club, are immensely proud of their commitment to the game and the club.

That's all folks until the October/November edition, thanks for reading this update.

If you need further information on the club, please ring me on –

Church News

New opportunities

I recently had the privilege of playing French Cricket with someone who had just turned 103 years old! The gentleman in question was born less than two years after the end of the First World War. His commitment to keep on rising to the daily challenge of living life to the full continues to be an inspiration to me.

Another encouragement to me, as I seek to do the same, is the fresh opportunities which come with each new season. At St Andrew's Church we're hoping that one new opportunity in these coming weeks will be the launch of a new event focused around pre-school aged children. Watch this space for more details!

Whatever new opportunities you find ahead over these coming weeks, I pray that you have a sense of being equipped to live life to the full. If we do can do that, then whether or not we're playing French Cricket at the age of 103, hopefully we can at least be an inspiration to one another.

God bless you

Justin

YELDHAM & DISTRICT LADIES CLUB

The talk by Niall Dickinson on Arsenic's Toxin Legacy was very interesting and had us all enthralled by its varied usage over the centuries, some good some bad! Our next meeting on the 31st August is more light hearted. Joanne Bealer from the Flower House in Sible will be demonstrating the art of flower arranging and as the magazine will now only be printed on a bimonthly basis, the meeting on the 28th September will be a talk by Geoff Heathcote on the work of the RNL. If you need any further information about the Club, please ring Margaret on 237049.

GREAT YELDHAM CARPET BOWLING CLUB

We are still having our roll up sessions on a Tuesday evening from 7.15 to 9.30pm so if you are at a loose end pop down and meet the team, have a cuppa and try your hand at bowling. We are a friendly bunch and look forward to meeting you. If you need any further information ring Margaret 237049.

Cottage Garden Society

This is your final 4 Villages reminder of our Annual Show to be held on Saturday 2nd September in the Great Yeldham Reading Room which is behind the old phone box for those newcomers to the village. You don't need to be a member of the society to enter, or even live in the village - the more the merrier. There are cash prizes up for grabs as well as cups and trophies. The different classes cover homegrown fruit & vegetables, flowers & pot plants, flower arranging, cookery, home produced eggs, arts & craft, photography and children's classes. All exhibits must be staged between 9 and 10.30am on the day of the show as then the hall will be closed for judging. The Show then opens for public viewing at 2 pm with teas, a raffle and finally the prize giving at 3.00pm. Please do come and give us your support.

Completed entry forms (available from me if required) can be handed in to Sarah Mackinnon at Stonebridge House, next to the old Post Office, emailed to joannacwilliams@btinternet.com, or given in person on Wednesday 30th August in the Reading Room between 7-8pm or on the morning of the show between 9.00 -10.30. All members have been sent a schedule of the different classes. Please enter what you can; this is a friendly, amateur, village show but there is no show without entries.

August is usually one of the hottest months of the year - making watering in your garden essential, especially for containers. Try to use stored rain water from water butts or grey water wherever possible. Careful use of suitable potting media and placement of containers out of direct sunlight also helps retain moisture. August is also the time to prune *Wisteria* and summer-flowering shrubs such as lavender once they've finished flowering. Remember to regularly deadhead flowering plants as soon as they are past their best. The simplest method is just to pinch off the faded bloom using finger and thumb. By September you should be picking autumn raspberries and harvesting any remaining potatoes.

Looking ahead to October, we will be holding a general knowledge quiz with buffet supper on Saturday 21st October. More details to follow.

St Andrews Café - Happy birthday to us!

The café, run in partnership with St Andrews Church in Great Yeldham, will be two years old in September. Since we first opened in September 2021, we have now become a regular event for people in the village and surrounding areas to connect and catch up with friends old and new.

We are delighted that the café has proved to be so popular for so many people and we hope that you will be able to come along on **7 September** to celebrate our 2nd birthday with us.

The café is run by volunteers who provide all of the refreshments and bake in advance, to ensure that there is always a good selection of cakes and biscuits available. There is no charge but we are always grateful for any donations that we receive towards the running of the café.

Everyone is very welcome to come along – our youngest visitor was only a few weeks old, and our oldest visitor celebrated her 99th birthday earlier this year. The café takes place in St Andrews Church in Great Yeldham and is open from 10.00am to 11.30am on the following dates;

7th September
9th November

5th October
7th December

We look forward to seeing you soon!
