In attendance: Tracy Wigmore (Parish Clerk). No members of the public.

24/020 Welcome and apologies for absence.

Cllr Rawlinson welcomed everyone to the meeting. Apologies received from Cllrs Burr, Marks and Sargeant. Cllr Rawlinson informed the meeting that he had received a written request from Cllr Burr regrettably failed to attend the required six consecutive meetings due to ill health reasons and therefore was requesting that the Parish Council approve the reason for non-attendance. It was noted that during this time Cllr Burr had attended working group meetings, helped organise the Christmas Tree and Carole Service and the Over 60's Tea Party and was actively involved in the events working group.

RESOLVED that the Parish Council approve Cllr Burr's reason for non-attendance to enable Cllr Burr to continue as a Parish Councillor. All in favour.

24/021 Declarations of Interest. None declared.

24/022 To approve the minutes of the Parish Council
RESOLVED that the minutes of the meeting held on 11th January 2024 were a correct record. All in favour. Chairman signed the minutes.

24/023 Public Participation Session with respect to items on the agenda and other matters of mutual interest. None.

24/024 Invitation to Cllr Peter Schwier, Essex County Council (ECC) and Cllr Richard van Dulken, Braintree District Council (BDC) to address the meeting on matters of mutual interest. The maximum time allowed for this item is 10 minutes but may be extended at the discretion of the Chairman.

Cllr van Dulken

Apologies received. Update report submitted.

- 2024/25 BDC Budget approved at Full Council on 19th February. The BDC portion of the total Council Tax bills have increased by 2.96%, one of the lowest rates in Essex. The Councillors Community Grant will continue during the coming year, at the same rate of £1,250 per Councillor. Please to see the new handrail at the Pavilion, partly paid for by a recent grant.
- Toppesfield Road - temporary closure/restricted passage between 18-20 March
- Wethersfield - currently 550-600 residents, reliably informed that no crime has been attributed to the migrant residents. The Home Office has advised that it wishes to use the site for three years (plus 6 months for decommissioning). BDC appeal against the decision to use it to house up to 1,700 migrants will take place on 11/12 June. The Department of Justice appears to have no further interest in Wethersfield as a prison site, more appropriate locations have been approved.

- Community Infrastructure Grant Fund launched with £100,000 available to provide grants to community groups wishing to reduce their carbon output - e.g. renewable energy, insulation, LED lighting. Funded from the UK Shared Prosperity Fund.
- Property Flood Resilience grants of up to £8,000 can be applied for by residents affected by river or surface water flooding.
- New grant scheme - grants of up to £10,000 to start up or enhance community projects which support residents with the cost of living. Non-profit community groups can apply if they can evidence that the project supports one of the main objectives of the Cost-of-Living Fund, has a clear purpose and benefits residents.
- BDC Operations were able to assist Uttlesford Council with their waste collections in February, with no adverse effect on services.
- The no side-waste rule comes into effect from 1st April - only residual waste which fits into the grey bin, with lid closed, will be collected.
- Strawberry Fields - proposed new walkway to the Recreation Ground – in progress.
- Vintage bus museum at Poole Farm - supported in writing, exciting plans.
- The Slipe, and the Canies Hall planning applications which are over two years - waiting on a determination. Will endeavour before the next meeting to get an update.

Cllr Schwier - Apologies

At the Public Meeting held on the 18th January 2024, members of the public were informed about ECC plans for reconstructing Churchfields Bridge and the draft proposal to create a new access road to connect "Churchfields" Road to Church Road (A1017); with the existing bridge being used for pedestrian access only with vehicle access over the bridge restricted by installing lockable bollards. The Parish Council have been collating comments raised by residents to forward to ECC (rpt circu) available on the website <https://greatyeldhampc.co.uk/churchfield-bridge-proposal-for-new-access-road/>. A discussion was held, general concerns were raised with regards to the strip of land from Church Road to Churchfield Bridge (cuts across the existing play park), road safety and access to the rest of the meadow. To consider tender submissions received and award the grounds maintenance contract and Bowtells Meadow. The Clerk reported that three tenders were received.

| Contractor B | £22,756.89 |
| Contractor C | £22,982.86 |
- *tender prices exclude ad-hoc cuts*
- After debate, Councillors felt that from previous experience, a local contractor would be preferred as a village-based company would be able to monitor growth and cut when weather is right although not the cheapest it was felt that Contract A was the preferred choice. Contractor A, a local based company, currently provided a service to the Parish Council, undertaking jobs on time (including urgent tasks) providing that little bit of extra care and attention.
